Dear Esteemed Member,

FUND RAISING DRIVE FOR PURCHASE OF NAPE SECRETARIAT BUILDING

On behalf of the leadership and members of the Nigerian Association of Petroleum Explorationists (NAPE), we extend our sincere appreciation for your continued membership and active participation in the programs of the NAPE over the years.

For an Association that has stood for 50 years, representing professionals across the oil and gas industry, we have come a long way. Yet, one aspiration has remained unfulfilled: a befitting Secretariat we can truly call our own. This has been our story for half a century and if there is ever a moment to change this narrative, that moment is now. Beyond secretarial activities and serving as a training ground, it will anchor our work, secure our future, and enable us to deliver lasting value to our members and the wider industry. As we stand at the dawn of NAPE's next 50 years, let us build not just for today, but for generations to come.

As a non-profit body, access to loans from financial institutions may be difficult—but this must not become a hindrance. The resources we seek lie among us, the members of this great Association.

The acquisition of a befitting edifice for our secretariat requires significant financial resources, and we therefore appeal to you as our valued member for your support as we plan to reach a target of five billion naira only (₦5,000,000,000.00) for this project. Your support will play a vital role in ensuring the timely and successful accomplishment of this initiative. This is more than a contribution—it is a legacy. The names of those who support this vision will be engraved, not just in stone, but in the history of the Association, for generations to see and remember.

We recognize that our members carry many responsibilities, and we deeply appreciate the commitments you already make. In the spirit of shared ownership and collective legacy, we invite members to support this vision at levels that reflect both capacity and commitment:

- Fellows: a minimum contribution of ₦250,000
- Active Members: a minimum contribution of ₦150,000
- Lecturers: a minimum contribution of ₦75,000

Every contribution, at every level, brings us closer to acquiring a permanent home that will serve this Association for generations to come. Kindly see account details below.

Account Name: NAPE Foundation Account

Bank: First Bank

NGN Account number: 2036287981

Additionally, should you be aware of any individual(s) or organization(s) willing to sell a suitable property within the environs of Victoria Island, Ikoyi, or Lekki, we would appreciate it if you could kindly reach out to our Secretariat – Chidinma Azoriwu via +2348023220769; email: chidinma.a@nape.org.ng or contact the NAPE Vice-President, Emmanuel Egbele via +2348055404221 or emmanuel.egbele@totalenergies.com, to share the relevant details and contact information.

Thank you for your continued commitment to the Association. We look forward to your favorable consideration and ongoing collaboration.

Together, we have the capacity, the commitment, and the collective will to build the future we envision.

NAPE belongs to us all.

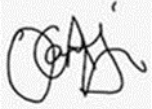

Let us join our hands and work together!

Let us all lift her up to sustain her continued growth!

Long live NAPE!

Yours Faithfully,

For: NIGERIAN ASSOCIATION OF PETROLEUM EXPLORATIONISTS
